Dear Sir,

**RE: QUERY OVER GROSS VIOLATION OF THE CONSTITUTION, SET RULES AND DIRECTIVES OF
THE AFRICAN ACTION CONGRESS.**

LETTER OF EXPULSION.

Season greetings to you from the Leadership and Members of the African Action Congress, Akwa Ibom State chapter.

Recall, that the State leadership of the Party in a letter dated the **28th of December, 2022** had issued you with a query bothering on "**Gross violation of the constitution, set rules, and directives of the African Action Congress**" and given 48 hours to explain why disciplinary actions should not be taken against you in line with **Section 81, Sub-section 4**. That time has since elapsed without a word from you.

That you have willfully refused to respond to the Party's query to you is not only unfortunate but also reinforces our belief of your lack of respect for the constitution of the Party, and its organs. And this naked act of insubordination is not only contrary to **Section 10 (a), (b) and (c)** of the Party's constitution, it is punishable under **Section 80, Sub-section 2 (a), (b), (c) (d) and (e)**.

Consequently, the State Executive Committee relying on **Section 81, Sub-section 3** and in line with **Section 81, Sub-section 2 (a)**, hereby expel you from the Party and by this letter, seize to be a member of the **African Action Congress**. This expulsion is with immediate effect.

You are therefore advised to seize further transaction on behalf of the Party as the African Action Congress will not be held liable over any breach or infraction.

Warm regards.
